Harford Library Hosts 5th Annual Women's Summit

Harford County Public Library is hosting its fifth annual Women's Summit on March 3 from 9 a.m. to noon at the Abingdon Library.

"Voices that Shape Communities" is this year's theme. The library looks to provide an inspiring day of engaging speakers, empowering conversations and community connections, while celebrating the voices and visions of women who are shaping the world.

Featured speakers for the summit include Catie Griggs, president of operations for the Baltimore Orioles, and Erin Hodge-Williams, psychotherapist and founder of Time for Women. A brief question-and-answer session will follow both speaker presentations.

Tickets cost \$50 per person and include a light breakfast, box lunch and copy of the featured book, "The Midnight Library" by Matt Haig.
