### **Second annual Taste of Harford raises more than \$33,000**

The Harford County Library Foundation hosted the second annual Taste of Harford: Back for Seconds event in Havre de Grace, raising more than \$33,000.

The money raised goes to support the library system's programs, resources and services that benefit the community.

The event showcased 39 local food and drink companies including restaurants, farmers and wineries, that were challenged to include locally sourced ingredients in their recipes.

Guests were asked to cast votes for their favorite local food and non-alcoholic drinks for the "Best Bite in Harford County" competition. The winners in each category included: Latitude Seafood Company (seafood), Maison Catering (meat), Island Spice Grille and Lounge (vegetarian), Jimmy's Famous Seafood (food truck), Newberry Cafe (baked goods), Broom's Bloom Dairy (dessert), Coffee Coffee (non-alcoholic beverage) and Tropical Smoothie Cafe (smoothies).
