

Harford County Public Library kicks off summer with reading program

By Shaela Foster

Harford County Public Library is hosting a summer reading program themed "Color our World" from June 2 to August 16 to encourage everyone to complete reading goals and continue learning throughout the summer.

Participants are challenged to finish a set amount of books and can keep track of their progress through the library's website.

Registration giveaways for infants to high schoolers will be available at all library branches in the county and may be picked up after signing up. Giveaways this year include a coupon sheet with discounts from local businesses and a ticket voucher to attend an Aberdeen Iron-Birds baseball game.

Completion prizes will also be available beginning June 16. Participants can receive a free book for children entering the 8th grade

or a free Horizon Cinemas movie ticket for teens entering high school.

All prizes are available until the library branches run out.

In addition to a reading program, various activities take place at library locations, ranging from alpaca visits, science education, learning about agriculture and musical performances.

More information regarding activities and specific dates for the reading program can be found on Harford County Public Library's website.

From June to August, the Harford County Public Library is hosting a summer reading program for people of all ages from infants to adults. **BRIAN KRISTA/THE AEGIS**
