June 26, 2025 [Community](#)

Harford County Cultural Arts Advisory Board is accepting applications for Community Arts Development Grants and Arts in Education Grants for Fiscal Year 2026.

The Community Arts Development Grants Program provides general operating support to local arts nonprofit organizations and arts programming support to nonprofits whose primary purpose is other than producing or presenting the arts. Applications are due by July 31 at 11:59 p.m.

The Arts in Education Grants Program is available to Harford's nonprofit schools, government facilities and community-based settings serving youth or other traditionally-underserved population. Arts in Education Grants support high-quality arts experiences including on-site teaching artists-in-residence; visiting performers; or tickets and transportation costs for visits to museums and arts performances. Applications are accepted on a rolling basis throughout the year.
