At its annual Staff Day, Harford County Public Library celebrated its team and honored 60 staff members for various years of service. Held October 14 at Mountain Christian Church's Abingdon Campus, Staff Day also featured a state-of-the-library presentation by CEO Mary Hastler.

"Staff Day is when we celebrate the dedicated and accomplished professionals who make Harford County Public Library the best. The good work that goes on every day in every branch and at our administrative office is possible because of the wonderful staff members who give their all to the Library and its customers," said Hastler. "It's also an honor to recognize those who are celebrating significant milestone anniversaries, and we thank them for their service."
