Harford County Public Library's 80th anniversary is the theme of the 2026 Winter Reading Program, "80 Winters of Wonder," which takes place December 20 through March 20.

The 2026 Winter Reading Program was created especially for adults and high school students in grades 9-12. Register online at <https://hcplonline.org/winterreading.php>, or stop by any Harford County Public Library branch to sign up.

"This year's Winter Reading Program is extra special because we are celebrating the Library's 80th anniversary. In addition to hosting many exciting programs for customers of all ages, teens and adults who complete the reading challenge will receive an awesome 80th anniversary commemorative mug, and this year's design is one of my favorites," said Mary Hastler, CEO of Harford County Public Library. "Many thanks to our sponsors and staff

for making the '80 Winters of Wonder' Winter Reading Program an outstanding one to celebrate this significant anniversary.”

To complete the 2026 Winter Reading program, adults should read or listen to at least five books, and high school students should read or listen to at least three books. Once the reading portion of the program is complete, participants will receive a free 2026 collector's mug (while supplies last). Mugs can be picked up at any Harford County Public Library location.

Additionally, customers are invited to participate in Winter Reading Bingo for a chance to win additional prizes. Winter Reading Bingo includes engaging activities and opportunities to support local businesses. Complete five activities in a column, row or diagonally to get bingo, and pick up a collectable 80th anniversary bookmark at any Harford County Public Library location starting January 20 (while supplies last). After completing bingo, participants will be entered to win a limited-edition Winter Reading tote bag.
