### Winter Reading Program features '80 Winters of Wonder'

Harford County Public Library's 80th anniversary is the theme of the 2026 Winter Reading program, "80 Winters of Wonder," which runs through March 20.

The program was created for adults and high school students. Participants can register online at [hcplonline.org/winterreading.php](http://hcplonline.org/winterreading.php) or stop by any library branch to sign up.

To complete the program, adults should read or listen to at least five books and high school students should read or listen to at least three. Teens and adults who complete the reading challenge will receive an 80th anniversary commemorative mug that can be picked up at any HCPL location.
