

Library launches 2025 Winter Reading Program

Harford County Public Library invites area residents to “Cozy Up With A Good Book” during the 2025 Winter Reading Program, through March 19.

The 2025 Winter Reading Program was created especially for adults and high school students in grades 9-12.

To complete the 2025 Winter Reading program, adults should read or listen to at least five books and high school students should read or listen to at least three books. Once the reading portion of the program is complete, participants will receive a free 2025 collector’s mug (while supplies last).

Winter Reading Bingo is a new activity this year that invites participants to complete a bingo card featuring cozy activities such as reading, attending library events and visiting local businesses. Those who complete five activities in a row, column or diagonally will receive a special HCPL magnetic bookmark at any library location (while supplies last). In addition, winners will be entered to win a limited-edition Winter Reading tote bag.

“Winter is the perfect time to ‘cozy up with a good book.’ Harford County Public Library offers many books, from bestsellers just released

to well-loved classics, in a variety of formats, making reading an easy pastime for everyone. Our special collections also offer other cozy indoor activities like binge boxes with movies and television shows and board games with well-loved favorites and new additions,” Mary Hastler, CEO of Harford County Public Library said in a news release.
