August 28 events at Abingdon and Havre de Grace libraries feature presentation, book reading, craft time and more

Abingdon, Md., August 5, 2024 — Harford County Public Library welcomes award-winning author Lana Button for two children's events on August 28 at the Abingdon Library and the Havre de Grace Library.

At each event, Button will read her latest book, "See You Later, Alligator!," an upbeat and lighthearted take on a very real anxiety faced by kids everywhere, every day. Infused with positivity and a growth mindset, this book is a perfect tale for that back-to-school moment, helping little ones build resilience and overcome their worry. After the reading, Button will lead a fun craft activity and host a book signing. Attendees are encouraged to purchase "See You Later, Alligator!" at their favorite bookseller and bring it with them that day for the author to sign.
