2025 Summer Reading Sponsorships

Harford County Public Library's 2025 Summer Reading challenge invites everyone — infants, teens, and adults alike — to embark on a journey of discovery through reading! With more than 19,000 children and families expected to participate, this year's challenge promises to be our biggest adventure yet.

Our exciting lineup of summer events fosters a love of reading, lifelong learning, and school readiness. From books and guest presenters to concerts, STEM activities, crafts, and more, there's something for everyone to enjoy. Join us for a summer filled with fun, creativity, and exploration!

Studies show that children who participate in public library summer reading programs perform better on reading achievement tests, experience fewer summer learning losses, and start the school year with greater confidence.

Our dream is to provide every participating child with quality books they can call their own—books that inspire learning, creativity, and imagination. By sponsoring this important initiative, you can help us make this dream a reality. Together, we can fuel the joy of reading and support the success of children in our community.

Yes, we are happy to sponsor and be a part of Summer Reading 2025:
