**Recommended for grades 3 and up**
What to Know About This Kit…

This kit is designed to allow you to examine models of human bones from an unknown person and use the same skills a scientist would to determine race, sex, and height from just 3 bones.

To keep the mystery a mystery, we aren’t including the solution in the kit. To find out the answer, go to the KidZone on the HCPL website:

www.hcplonline.info/kids/kidszone.html

Follow the links to the LEAP page, then go to LEAP Resources. Look for the title:

Who Owns These Bones Answer

Recommended for grades 3 and up
