'Tis finish'd the conflict is past
The heaven born spirit is fled
Her wish is accomplished at last
And now she's entomb'd with the dead
No sickness or sorrow, or pain
Shall ever disquiet her now
For death to her spirit was gain,
Since Christ was her life when below
Her soul has now taken its flight
To mansions of glory above,
To mingle with angels of light
And dwell in the Kingdom of Love.
Then let us forebear to complain
That she is now gone from our sight
We soon shall behold her again
With new and redoubled delight'
