This very special event features **Catie Griggs**, President of Operations for the Baltimore Orioles, and **Erin Hodge-Williams**, Psychotherapist and Founder of Time for Women. Both speaker presentations will be followed by a short Q&A. We'll finish the morning with an uplifting and positive group activity that will ensure everyone leaves on a powerful, united note.

This year's theme is "Voices that Shape Communities" and we promise an inspiring day of engaging speakers, empowering conversations, and community connection – celebrating the voices and visions of the amazing women who are shaping our world. We've brought together these two amazing speakers to share their leadership journeys and real-world tips on how to create healthy boundaries, and much, much more!
