

**BE AMAZED AT OUR BRAND NEW LIVE AUCTION PACKAGE
at the Harford County Public Library Foundation Gala on November 7!**

"Scott and Churchville Kitchens have done several great projects for me including a full kitchen renovation at my previous home; and kitchen, bathroom & laundry room renovations at our current home. Their selections, designs and installations were all fabulous."
- **Craig Ward**, Senior Advisor, Frederick Ward Associates, Inc.

Have you been

ITCHIN' FOR A
Churchville
KITCHEN

Isn't it about time for a new kitchen?!

Your customized package will include face-to-face job site and showroom design appointments with Scott from Churchville Kitchens, KraftMaid cabinetry and hardware, granite or quartz countertops with an undermount sink, appliances, tile backsplash, flooring, plumbing, electric, painting, labor and installation! (see reverse side for details)

Value: \$66,500+

Scott Goedeke of Churchville Kitchens will personally design your new kitchen.

He will come to you and methodically go over all possible layout scenarios, listening to what you have to say and making recommendations based on over 25 years of kitchen design experience. "Putting everyone's head together is the key!"

Work is to be completed in Cecil, Harford or Baltimore County. *Itchin' for a Churchville Kitchen* is for one kitchen at one location and cannot be broken up into multiple locations. The winning bidder may not bring in additional contractors unless it is for a product not included in the *Itchin' for a Churchville Kitchen* package. The house must be accessible for truck deliveries. Materials are not substitutable. Additional work or additional/upgraded materials are subject to additional costs. Retail allowances cannot be transferred to another component of the kitchen nor can the bidder receive cash back if they choose not to use the full amount of the retail allowance.

Project is to be underway by June 30, 2016.
